

Code of conduct

It's important that we take care of nature.
Keep this in mind when you're out making your observations.

Leave plants and
animals in the water

Avoid separating a
group of animals

Do not hunt or harass
wild animals

Report injured,
entangled or
distressed animals

Do not touch or feed
wildlife

Do not disturb habitats

Limit time spent with
an animal

Leave nothing behind

Participation is at your own risk.
