

Meet the BioEcoOcean Team at the Ocean Sciences Meeting in Glasgow!

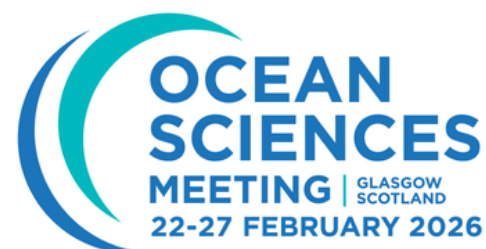

#Workshop

Advancing biology and ecosystem ocean observations through collaboration and integration

- Lina Mtwana Nordlund (Uppsala University)
- Said M Hashim (Uppsala University)
- Artur Palacz (Institute of Oceanology Polish Academy of Sciences)
- Nina Lepola (Uppsala University)

Wednesday, 25 February 2026

09:00 - 12:00

M4 (SEC)

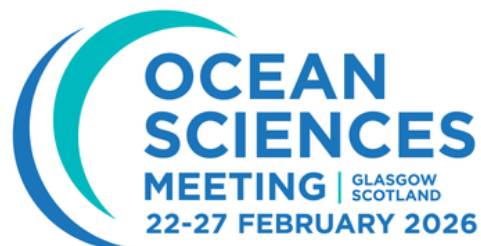

[More info](#)

#Presentation

Stakeholder inputs on the current ocean observing systems: Gaps, challenges, and opportunities

- Said M Hashim (Uppsala University)
- Lina Mtwana Nordlund (Uppsala University)
- Artur Palacz (Institute of Oceanology Polish Academy of Sciences)

Tuesday, 24 February 2026

09:40 - 09:50

Carron (SEC)

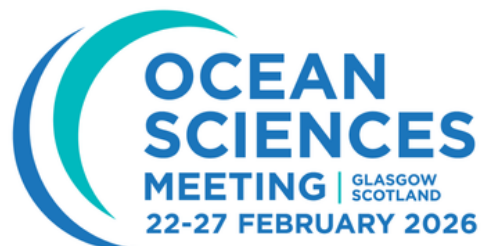

[More info](#)

#Presentation

Co-Creating a Blueprint for Integrated Ocean Science: Advancing Ocean Observations for a Sustainable Future

- Said M Hashim (Uppsala University)
- Lina Mtwana Nordlund (Uppsala University)
- Artur Palacz (Institute of Oceanology Polish Academy of Sciences)

Thursday, 26 February 2026

11:20 - 11:30

Hall 3, Blue Horizon (SEC)

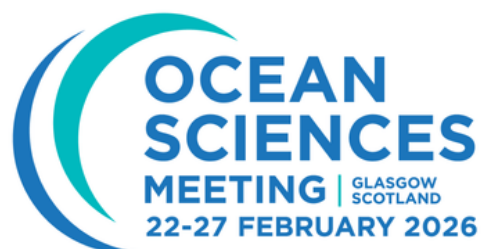

[More info](#)

#Town Hall

Net-Zero Ocean Harvesting: A Dialogue on Fisheries and Carbon

- Angela Martin (Natural England)
- Andre Visser (Technical University of Denmark, DTU Aqua)
- Dave Reid (International Council for the Exploration of the Sea)
- Trisha Atwood (Utah State University)
- Harriet Harden-Davies (University of Edinburgh)

Thursday, 26 February 2026

12:45 - 13:45

Hall 3, Kelp Forest (SEC)

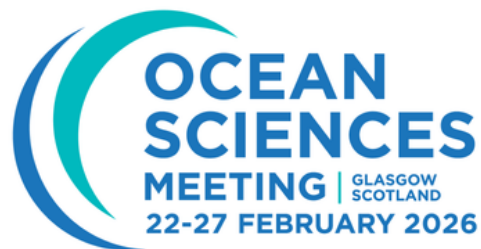

[More info](#)

#Poster session

The Fantastic Baltic Four: A field sampling approach for four Biology and Ecosystem Essential Ocean Variables (EOVs)

- Florian Lüskow (Uppsala University)
- Lina Mtwana Nordlund (Uppsala University)

Tuesday, 24 February 2026

16:00 - 18:00

Hall 4 (Poster Hall) (SEC)

[More info](#)

#Poster session

Surface or bottom: does eDNA metabarcoding reveal differences in fish diversity based on vertical sampling depth?

- Sara Kurland (Uppsala University)
- Lina Mtwana Nordlund (Uppsala University)
- Florian Lüskow (Uppsala University)

Taking advantage of open data in coastal science and conservation

- Nicholas Hoad (Uppsala University)
- Jonathan S. Lefcheck (University of Maryland)
- Nikolaos Alexandridis (Lund University)
- Benjamin L.H. Jones (Project Seagrass)
- Johan Eklöf (Stockholm University)
- Lina Mtwana Nordlund (Uppsala University)

 **OCEAN
SCIENCES**
MEETING | GLASGOW
SCOTLAND
22-27 FEBRUARY 2026

Tuesday, 24 February 2026

16:00 - 18:00

Hall 4 (Poster Hall) (SEC)

#Poster session

Integrating observations and models to assess micronekton functioning in a changing ocean

- Sarah Albernhe (Mercator Ocean International)
- Patrick Lehodey (Mercator Ocean International)

Dissolved and Particulate Methylated mercury in a Highly Productive Area of the Southern Ocean

- Harald U. Biester (TU Braunschweig), et al.
- Florian Lüskow (Uppsala University), contributing author

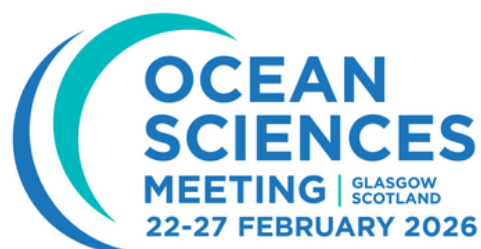

Thursday, 26 February 2026

16:00 - 18:00

Hall 4 (Poster Hall) (SEC)

**OCEAN
SCIENCES**
MEETING | GLASGOW
SCOTLAND
22-27 FEBRUARY 2026

See You in Glasgow!
